Each Proposer agrees that all information, data, documentation, and material submitted or provided by the Proposer shall become the property of the CAA and it shall not be returned to the Proposer. The CAA is subject to the requirements of the Connecticut Freedom of Information Act ("FOIA"). After CAA award of a Contract, all information, data, documentation, and material submitted shall be considered public information and may be made available for inspection in accordance with the FOIA. Any proprietary information, data, documentation, and material that the Proposer wishes to remain confidential (to the extent allowed under the FOIA) should be clearly identified in the proposal; however, such identification does not guarantee its confidentiality. Proposers specifically waive any claims against the CAA related to the disclosure of any materials if made pursuant to a public records request.

Proposer must submit a letter stating reasons for claiming confidentiality for every type of information that may be stamped confidential. Failure to comply with these procedures may result in the disclosure of this information. Proposer may be required to intervene in any public records request in order to protect its rights to confidential or proprietary information.

SCOPE

The CAA is seeking a financial advisory consultant to assist in the development and implementation of financing plans to support the CAA's future plans for capital improvements at Bradley International Airport and the five (5) general aviation airports.

The Financial Advisor will work closely with CAA representatives, Bond Counsel, Airport Consultants, General Counsel and others and is expected to provide assistance and counsel in the:

1. Development of financial plans for CAA's Capital Improvement Program.
2. Evaluation of the financial feasibility of any proposed programs.
3. Evaluation of the use of alternate financing structures for CAA.
4. Participation in presentations, discussions and negotiations with insurers, rating agencies, investors and underwriters.

5. Provision of regular and as-needed financial advice regarding market conditions and trends, financial products, credit and credit analysis, alternate financing structures, and special facility financing.
6. Structure, timing, and pricing of airport bond issues.
7. Provision of advice and assistance for other related financial matters as CAA may request.

SELECTION/EVALUATION CRITERIA

Proposals will be evaluated by a Selection Committee which will be seeking to distinguish which proposer has, through the appropriate combination of several criteria, the abilities to best perform the required services to the satisfaction of the CAA. While some criteria may be ranked higher than others in the selection process, the proposal that achieves the highest overall ranking will be considered top-ranked by the Selection Committee. The proposals will be evaluated using the following criteria.

I. Organizational Structure

1. Provide a brief introduction to your organization/firm. Include organizational charts, firm history and other relevant information.

II. Qualifications/Firm Experience

1. Describe the firm's activities in the financial advisory business. Of the firm's municipal finance activities, please specify what percentage is represented by financial advisory assignments.
2. Identify all airports for which the firm has served as Financial Advisor during the past three (3) years and include contact information for all. CAA reserves the right to check firm references at any of the listed airports.
3. Describe the firm's experience in serving as Financial Advisor to airport clients undertaking major development programs. Describe in particular the firm's experience in assisting clients with the following:
 - a. Developing a financial plan for an airport development program.
 - b. Evaluating the preliminary feasibility of a proposed program.
 - c. Evaluating the use of alternate financial structures for an airport.
4. Describe the firm's experience in serving as Financial Advisor to airport clients in connection with the sale of airport revenue bonds. List the financings for which the firm served as Financial Advisor and note the following information:

- a. The issuer and principal amount of each issue.
 - b. Whether the issue was fixed rate or variable rate.
 - c. Whether the issue was a general airport revenue bond or a special facility revenue bond.
 - d. The individual who served as the firm's primary representative on the issue.
 - e. Specifically highlight the firm's experience in serving as Financial Advisor to airport clients in connection with the sale of Special Facility bonds issued to develop a Consolidated Rental Car Facility.
5. Describe any other financial advisory services the firm has provided to airport operators not already described in Questions 3 and 4 above.

III. Key Personnel/Project Approach

1. Identify the individuals from the firm who would work with CAA on a day-to-day basis. Describe the role each would play. Provide a brief resume for each individual and describe the individual's personal experience on airport projects.
2. Describe what you believe to be the critical "financial policy" questions that an airport operator must address in undertaking a major airport development program.
3. Describe any other issues which you believe to be important for an airport operator to consider or address in creating the legal and financial structure for undertaking an airport development program. What general recommendations would you offer?

IV. Fee Structure

1. Propose a fee and billing schedule to provide the requested financial advisory services based on the following two potential structures:
 - a. A fee structure on the basis of time and materials. Please provide a schedule of the hourly billing rate for the personnel list included in your proposal for each of the three years being contemplated by this RFP. Please also provide a list of the types of expenses for which you would expect to be reimbursed.
 - b. A Fee Structure for tasks associated with individual financings in lieu of the basis of time and materials. CAA reserves the right to utilize a time and materials fee structure or an alternate fee structure for individual financings.

V. Other Information

1. Disclose any potential conflicts of interest.
2. Discuss how the firm approaches Disadvantaged Business Enterprise goals and requirements. While there is no requirement for this RFP, specific requirements may be necessary on a task-by-task basis.

Evaluation of proposals will include an assessment of the firm's competence and general experience, the ability of the firm's personnel and facilities to perform tasks expeditiously and past performance with respect to quality of work and cost.

PROFESSIONAL SERVICE AGREEMENT

Attached is a copy of the Professional Services Agreement (PSA) that the selected Proposer will be expected to enter into. Any exceptions to the terms and conditions of the PSA must be noted in the proposer's written submittal on the form provided. Any such exception may, at CAA's sole discretion, constitute an irregularity justifying rejection of the entire proposal. If there are no exceptions noted, and the proposer is selected by CAA, proposer shall be obligated to execute the PSA without modification. The failure of CAA to disqualify any proposals **with** exceptions noted shall not be deemed to be an acceptance by CAA of any such exception.

INSURANCE REQUIREMENTS

Evidence of the following minimum insurance coverage must be provided:

- a. General Liability limits of \$1 million per occurrence.
- b. Motor Vehicle Liability Insurance with limits of \$1 million, per occurrence.
- c. Worker's Compensation coverage to Connecticut statutory limits or documentation evidencing an approved self-insurance program.

DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION

In accordance with Title 49, CFR.26, it is the CAA's policy to provide DBEs the opportunity to compete and/or participate in the performance of CAA contracts. Based on the funding source for each assignment the selected Proposer may be required to

achieve a specific goal set by the CAA. The selected Proposer will, as necessary, complete DBE reporting requirements.

SMALL BUSINESS/MINORITY BUSINESSSS ENTERPRISE PARTICIPATION

In accordance with Connecticut General Statute 4a-60g, it is the CAA's policy to comply with the SBE/MBE set aside goals. Based on the funding source for each assignment the selected Proposer may be required to meet a specific set aside goal set by the CAA.

EMERGENCY STANDBY FOR GOODS AND/OR SERVICES

In the event of a declared emergency or natural disaster within the State of Connecticut, not resulting from inadequate inventory or contract expiration, but which are expected to be temporary in nature, the CAA reserves the right to request the goods and/or services called for in this contract from the Selected Proposer. The Selected Proposer shall make best effort to provide goods and/or services at the time and in the manner specified by the CAA. From the time a request for goods and/or services is made, the Selected Proposer shall acknowledge the request within one hour and have a workforce on site within ninety minutes. If the Selected Proposer is unable to respond or provide the goods and/or services requested, the CAA reserves the right to procure said good and/or services from another source. Selected Proposers called upon to perform under emergency circumstances shall supply goods and/or services in a timely manner such that time is of the essence.

Selected Proposers shall offer the CAA first priority for goods and/or services, which are unknown at this time, but which may be required during an actual emergency, from its regular sources of supply at the rates set forth in this Contract.

AMENDMENT OR CANCELLATION OF THE RFP

The CAA reserves the right to cancel, amend, modify or otherwise change this RFP at any time if it deems it to be in the best interest of the CAA to do so.

PROPOSAL MODIFICATIONS

No additions or changes to any proposal will be allowed after the proposal due date, unless such modification is specifically requested by the CAA. The CAA, at its option, may seek proposer retraction and/or clarification of any discrepancy or contradiction found during its review of proposals.

PROPOSER PRESENTATION OF SUPPORTING EVIDENCE

Proposers must be prepared to provide any evidence of experience, performance, ability, and/or financial surety that the CAA deems to be necessary or appropriate to fully establish the performance capabilities represented in their proposals.

ERRONEOUS AWARDS

The CAA reserves the right to correct inaccurate awards. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the CAA shall not constitute a breach of contract on the part of the CAA since the contract

with the initial proposer is deemed to be void and of no effect as if no contract ever existed between the CAA and such proposer.

PROPOSAL EXPENSES

Proposers are responsible for all costs and expenses incurred in the preparation of proposals and for any subsequent work on the proposal that is required by the CAA.

OWNERSHIP OF PROPOSALS

All proposals shall become the sole property of the CAA and will not be returned.

Proposer must provide certification that it does not discriminate against any employee or subcontractor based on race, religion, color, gender, age, physical condition, national origin or any other legally protected status and that it maintains an environment free from discrimination and harassment.

Contract

This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP only serves as the instrument through which proposals are solicited. The CAA will pursue negotiations with the highest scoring Proposer. If, for some reason, the CAA and the initially selected Proposer fail to reach consensus on the issues relative to a contract, then the CAA may commence contract negotiations with other Proposers. The CAA may decide at any time to start the RFP process again.

Thereafter, Proposers will be required to sign a formal contract as identified in "Contract". The contract may include a liquidated damages clause at the discretion of the CAA.

Right to Reject Proposals

Submission of a proposal indicates acceptance by the responding firm of the conditions contained in this solicitation unless clearly and specifically noted in the proposal submitted and confirmed in the subsequent contract between the CAA and the responding firm selected.

Reservations

The CAA reserves:

The right to reject any or all proposals to serve the best interests of the CAA and its employees.

The right to negotiate with one or more Proposer when such action is deemed to be in the best interest of the CAA.

The right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected.

The right to cancel any agreement, if in its opinion, there is a failure by the Selected Proposer at any time to perform adequately the stipulations of the Scope of Work; or if there is any attempt to deceive the CAA or its employees; or if there is an attempt to willfully impose upon the CAA and its employees services which are, in the opinion of the CAA, of an unacceptable quality; or, if the Selected Proposer or its staff are found to have engaged in illegal or prohibited activities with respect to this agreement and the services provided or related activities.

The CAA and the Consultant together are the Parties and each individually is a Party to this Agreement.

WHEREAS, the CAA seeks the services of an **(TYPE)** Consultant; and,

WHEREAS, the Consultant is a qualified party for this purpose.

NOW, THEREFORE, the CAA and the Consultant, intending to be legally bound, agree as follows:

1. **Task Orders and Scope of Services.** Task Orders, in the general form shown on Exhibit "A", shall be used to describe the parties' mutual agreement on the scope of services, schedule, compensation and any other particulars ("Task Orders"). Task Orders shall be submitted electronically in applicable MicroSoft applications (Word, Excel, etc.) to both the CAA's Manager of Grants, Contracts and Procurement, and the CAA's designated Project Manager. Task Orders are binding only after acceptance and execution by duly authorized representatives of

both parties. Each Task Order shall govern the parties' rights and obligations with respect to each assignment, but all within the framework of this Agreement. In the event of an inconsistency between the terms of any Task Order and the terms of this Agreement, the terms of this Agreement shall govern.

2. **Period of Performance.** The CAA agrees to retain the Consultant, and the Consultant agrees to perform the work under this Agreement, beginning **MONTH XX, 20XX** and ending on **MONTH XX, 20XX** ("Period of Performance"). The Parties can extend the Period of Performance only by a written amendment to this Agreement signed and dated by the CAA and the Consultant. However, if a Task Order requires Consultant to perform services after the last date of the Period of Performance, the terms of this Agreement will be automatically extended and be co-terminus with any Task Order that may be in effect on the last day of the Period of Performance.
3. **Coordination between CAA and Consultant.** Continuing coordination and communication shall be maintained between Consultant and CAA to ensure the timely completion of the Services. To expedite such coordination and communications, the Consultant shall submit all other contractual related items (i.e. scopes, fees, personnel revision requests, invoices, etc.) in writing to the Manager of Grants, Contracts and Procurement. Consultant shall direct all correspondence, progress reports, requests for information or assistance and other materials to the Project Manager

The Consultant's designee, identified on the applicable Task Order, shall serve as the representative of Consultant for the Services and he/she or another Consultant staff member acceptable to CAA shall attend all meetings upon the reasonable request of CAA.
4. **Personnel.** Consultant represents that it has, or will obtain at its sole cost and expense, all personnel required to perform the Services required under this Agreement and all Task Orders issued hereunder. Any and all persons engaged by Consultant to perform the Services shall be considered employees of Consultant, not CAA. Consultant's personnel or those of its subcontractors or subconsultants, shall be specifically identified in a Task Order and are considered essential to performance and may not be removed or replaced without the prior written approval of the CAA Manager of Grants, Contracts and Procurement. All personnel employed or engaged by Consultant shall possess the necessary skills **for performance under this Agreement. Consultant will at all times enforce proper discipline and good order among the personnel under its control or supervision.**
5. **Time is of the Essence.** The parties hereto agree that time is of the essence with respect to any deadline or schedule set forth in this Agreement or any Task Order.
6. **Compensation.** CAA agrees to pay Consultant an amount in accordance with the Fee Arrangements set forth on Exhibit "C" and each Task Order. Overtime is not permitted, unless required by law and will not be eligible for overhead and profit mark-up.

7. **Payment.** The specific method of payment for Services to be rendered (i.e., lump sum, time and materials, etc.) shall be as set forth in Exhibit "C" or as separately established by Task Order. CAA shall pay Consultant in accordance with monthly invoices to be submitted by Consultant. Invoices for time and material type contracts shall cover Services performed during the preceding month and shall be for an amount calculated from the actual number of hours expended on the work by each staff member and the hourly rates specified in Attachment "D-1" to Exhibit "C". Invoices for lump sum type contracts shall be based on percent complete of total project.

Out-of-pocket (direct) expenses shall be listed separately on any invoice and shall be in compliance with Attachment "D-2" to Exhibit "C". Subconsultants are to be considered as a direct expense when invoicing. No Consultant mark-up will be allowed for subconsultant services.

From the total of the amount determined by CAA to be payable on an invoice, CAA shall deduct two and one-half percent (2.5%) or as set forth in Exhibit "C", to be held as retainage and paid by CAA upon completion of the Task Order.

CAA shall pay Consultant invoiced amounts within thirty (30) days after the date CAA deems said invoice to represent a true and accurate detail of work performed and expenses. Invoices are due on the 15th of the month or the next business day should the 15th of the month fall on a weekend or State of Connecticut recognized holiday. Invoices shall be accompanied by supporting documentation as required by CAA. The CAA reserves the right to return invoices for resubmittal or make applicable adjustments as it deems appropriate.

8. **Insurance.** Consultant shall maintain the insurance coverages specified on Exhibit "D" during the term of this Agreement.
9. **Subcontracting or Assignment.** Without limiting the ability of Consultant to hire subconsultants or subcontractors in accordance with this Agreement, CAA shall have the right to require Consultant to engage subconsultants or subcontractors (reasonably acceptable to Consultant) to perform any of the work required for the successful completion of the Services or any Task Order under this Agreement.

In the event that Consultant proposes to engage a subconsultant or subcontractor to perform work required pursuant to any Task Order, such Task Order shall include the name of each subconsultant or subcontractor performing the task and a detailed description of the work to be performed by each subconsultant or subcontractor. Reference to any subconsultant or subcontractor in an approved Task Order executed in accordance with this Agreement shall be deemed written approval by CAA of the subconsultant or subcontractor, but only insofar as and to the extent that the work to be performed by the subconsultant or subcontractor is described in such Task Order.

Except as authorized above, none of the services to be provided by Consultant pursuant to this Agreement shall be subcontracted or delegated, in whole or in part, to any other organization, association, individual, corporation, partnership or other such entity without the prior written approval of CAA, such approval to be at CAA's sole discretion.

Consultant shall enter into a written agreement with each such subcontractor or subconsultant pursuant to which each such subcontractor or subconsultant agrees to be bound by the terms and conditions of this Agreement. CAA shall have right to obtain a copy of any proposed subcontract upon request.

10. **Independent Consultant.** The Consultant understands that it is acting as an independent Consultant and shall not hold itself out as representing or acting in any manner on behalf of the CAA except as provided within the Scope of Work of the Agreement, or any individual Task Order between the CAA and the Consultant.
11. **Small Business/Minority Business Enterprise (SBE/MBE).** In connection with the performance of this Agreement, Consultant shall cooperate with CAA in meeting its commitments and goals with respect to the maximum utilization of Small Business/Minority Business Enterprises (SBE/MBE) on each Task Order. The established set aside goals for SBE/MBE participation, if required, will be established in each individual Task Order.

On a monthly basis, in such form as CAA may require, Consultant shall provide a written report setting forth the efforts undertaken by Consultant to comply with the requirements of this section and the level of participation of SBE/MBE in the work undertaken pursuant to each Task Order. Such report shall accompany the monthly invoices for payment submitted by Consultant.

12. **Disclosure of Information** Consultant will treat information CAA provides to Consultant in the course of Consultant fulfilling the requirements of this Agreement as confidential and use it only in performing services for CAA. Consultant represents that it has implemented and maintains commercially reasonable and appropriate security measures to protect sensitive information from unauthorized use or disclosure. CAA records CAA provided to Consultant will remain CAA's property and will be returned to CAA upon request. However, Consultant may retain copies of such records to the extent required in the ordinary course of Consultants' business or by law. All documents, data, plans, reports and other materials prepared by Consultant under this Agreement shall become the property of CAA and, at CAA's option, shall be provided to CAA in the electronic medium specified by CAA (provided Consultant has such capability); provided, however, that Consultant shall have the right to retain copies of such documents and other materials for its records. CAA is subject to the Connecticut Freedom of Information Act (Connecticut General Statutes §1-210 et seq.), "FOIA" and may disclose this information to the extent required to comply with applicable laws or regulations or the order of any court or tribunal. At the time of disclosure, Consultant shall identify in writing such information that it seeks to remain proprietary and confidential, including the rationale and explanation for its claim that the submitted information

should be exempt from disclosure under FOIA. Upon request for disclosure by a third party, CAA will make an independent determination as to whether such information is subject to disclosure under FOIA. If the CAA determines the information is exempt from disclosure, and a complaint is brought to the Connecticut Freedom of Information Commission, the Consultant shall cooperate with the State in defense of that action. If CAA determines that such information is subject to disclosure, CAA shall have the right to disclose such information without providing prior notice to Consultant. Consultant shall hold CAA harmless and indemnify CAA from any claims, suits or actions (including reasonable attorney fees incurred by CAA) brought against CAA by Consultant, any affiliate, parent or subsidiary of Consultant or any third party relating to or arising out of the disclosure of any material by CAA, whether disclosed intentionally, negligently or otherwise, which Consultant claims or asserts is not subject to disclosure under the Connecticut Freedom of Information Act.

CONSULTANT has full responsibility to monitor compliance to the referenced statute or regulation. CONSULTANT must address any claims or disputes that pertain to a referenced requirement directly with the Federal Agency with enforcement responsibilities.
8. **Lobbying and Influencing Federal Employees.** CONSULTANT certifies by executing this Agreement, to the best of his or her knowledge and belief, that:
- (a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the CONSULTANT, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 - (b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned

shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

CONSULTANT has full responsibility to monitor compliance to the referenced statute or regulation. CONSULTANT must address any claims or disputes that pertain to a referenced requirement directly with the Federal Agency with enforcement responsibilities.
10. **Rights to Inventions.** All rights to inventions and materials generated under this Agreement are subject to requirements and regulations issued by the FAA and the CAA of the Federal grant under which this contract is executed.
11. **Trade Restriction.**
 - (a) Consultant is not owned or controlled by one or more citizens or nationals of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United State Trade Representatives (USTR).
 - (b) Consultant has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list.
 - (c) Consultant has not procured nor subcontracted for the supply of any product for use on the project that is produced in a foreign country on said list.
 - (d) Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to a contractor who is unable to certify the above. If Consultant knowingly procures or subcontracts for the supply of any products or services of a foreign country on the said list for use on the project, the Federal Aviation Administration may direct, through CAA, cancellation of the contract at no cost to the Government.
 - (e) Further, Consultant agrees, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in each contract and in all lower tier subcontracts. Consultant may rely upon the certification of a prospective subcontractor unless it has knowledge that the certification is erroneous.
 - (f) Consultant shall provide immediate written notice to CAA if Consultant learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances.

The subcontractor agrees to provide written notice to Consultant if at any time it learns that its certification was or has become erroneous by reason of changed circumstances.

- (g) This certification is a material representation of fact upon which reliance was placed when making the award. If it is later determined that Consultant or its subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration may direct, through the CAA, cancellation of the contract or subcontract for default at no cost to the Government.
- (h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a Consultant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (i) This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

12. Termination of Contract (Additional Rights).

- (a) The CAA may, by written notice, terminate this contract in whole or in part at any time, either for the CAA's convenience or because of failure to fulfill the contract obligations. Upon receipt of such notice services must be immediately discontinued (unless the notice directs otherwise) and all materials as may have been accumulated in performing this contract, whether completed or in progress, delivered to the CAA.
- (b) If the termination is for the convenience of the CAA, an equitable adjustment in the contract price will be made, but no amount will be allowed for anticipated profit on unperformed services.
- (c) If the termination is due to failure to fulfill the CONSULTANT's obligations, the CAA may take over the work and prosecute the same to completion by contract or otherwise. In such case, the CONSULTANT is liable to the CAA for any additional cost occasioned to the CAA thereby.
- (d) If, after notice of termination for failure to fulfill contract obligations, it is determined that the CAA had not so failed, the termination will be deemed to have been effected for the convenience of the CAA. In such event, adjustment in the contract price will be made as provided in paragraph b of this clause.

- (e) The rights and remedies of the CAA provided in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

13. Debarment and Suspension.

- (a) By submitting a bid/proposal under this solicitation, for this Agreement, CONSULTANT certifies that at the time the CONSULTANT submits its proposal that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.
- (b) The CONSULTANT, by administering each lower tier subcontract that exceeds \$25,000 as a "covered transaction", must verify each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally assisted project. The CONSULTANT will accomplish this by:
 - (i) Checking the System for Award Management at website:
<http://www.sam.gov>;
 - (ii) Collecting a certification statement similar to the Certificate Regarding Debarment and Suspension (Bidder or Offeror), above; and
 - (iii) Inserting a clause or condition in the covered transaction with the lower tier contract.

If the FAA later determines that a lower tier participant failed to tell a higher tier that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedy, including suspension and debarment.

14. Breach of Contract Terms. Any violation or breach of terms of this Agreement on the part of the CONSULTANT or its subcontractors or subconsultants may result in the suspension or termination of this Agreement or such other action that may be necessary to enforce the rights of the parties of this Agreement. The duties and obligations imposed by the Agreement and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

- (b) Violation; Liability for Unpaid Wages; Liquidated Damages. In the event of any violation of the clause set forth in paragraph (a) above, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (a) above, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (a) above.

- (c) Withholding for Unpaid Wages and Liquidated Damages. The Federal Aviation Administration or the CAA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the CONSULTANT or subcontractor/subconsultant under any such Agreement or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b) above.
- (d) Subcontractors. The CONSULTANT or subcontractor/ subconsultant shall insert in any subcontracts the clauses set forth in paragraphs (a) through (d) and also a clause requiring the subcontractor/ subconsultant to include these clauses in any lower tier subcontracts. The CONSULTANT shall be responsible for compliance by any subcontractor/subconsultant or lower tier subcontractor with the clauses set forth in paragraphs (a) through (d) of this section.

17. Veteran's Preference. In the employment of labor (except in executive, administrative, and supervisory positions), preference must be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Title 49 United States Code, Section 47112. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

18. Ban on Texting When Driving. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the CONSULTANT is encouraged to:

- (a) Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the CAA.
 - (i) Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:

- a. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
 - b. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
- (b) The CONSULTANT must insert the substance of this clause on banning texting when driving in all subconsultant and subcontractor agreements.

19. **Trafficking in Persons.**

- (a) Prohibitions: The prohibitions against trafficking in persons (Prohibitions) that apply to any entity other than a State, local government, Indian tribe, or foreign public entity. CODE OF ETHICS POLICY		
POLICY NO. 2013 – HR05	DEPARTMENT: HUMAN RESOURCES	
APPROVED BY: CAA BOARD	EFFECTIVE DATE: 12/16/2013 UPDATED:	BOARD APPROVAL DATE: 12/16/2013 PAGES: 8

Background:

The Connecticut Airport Authority (CAA) is committed to the highest ethical standards by its Board of Directors, managers and employees (members). This Ethical Conduct Policy (policy) is intended to establish and maintain high standards of honesty and integrity for all members of the CAA. Individuals in public service occupy roles and positions of trust and responsibility that require them to adhere to the highest ethical standards. Ethical conduct and the avoidance of even the appearance of impropriety are extremely important in the relationships that members of the CAA have with the public, other governmental organizations and representatives, and tenants, lessees and contractors, whether they be current or potential.

Policy:

This policy is intended to provide guidance to CAA members in determining what conduct is prohibited so that it may be avoided. It is intended to supplement the Connecticut Code of Ethics for Public Officials (Code) and other applicable provisions of the Connecticut General Statutes. A very useful resource for members of the CAA with regard to the Code is the guide prepared and updated annually by the Office of State Ethics (OSE). It may be found on the Internet at:

http://www.ct.gov/ethics/lib/ethics/guides/2012/public_officials_and_state_employees_guide_december_2012_rev.pdf

The provisions of this policy represent the minimum expectations for compliance by members of the CAA. Since it is impossible to articulate in a policy such as this each and every type of issue that may arise for CAA members, they are encouraged to raise questions with the Executive Director, the Human Resources Director, who is also the CAA's Ethics Liaison, their supervisor or manager, or the OSE.

It is expected that all members of the CAA will comply with the provisions contained within this policy and the Code. Violations of these provisions may subject a member to administrative and/or disciplinary sanctions.

A copy of this policy will be provided to each member of the CAA and will be posted on the CAA's Internet and Intranet sites. It will also be included among the materials provided to all new members of the CAA. Finally, the CAA will make this policy available to all vendors, lessees, tenants, contractors and other business entities doing business with the CAA.

I. Gifts and/or Payments

No member of the CAA or member of his/her immediate family, (spouse, child, child's spouse, parent, sibling) shall either individually or as a member of a group, directly or indirectly, accept or solicit any gift, discount or gratuity from any restricted donor as defined by the Code, including any registered lobbyist or lobbyist's representative; any person or organization that currently has or is seeking or expected to have a business relationship with the CAA or anyone acting on behalf of such a person or organization; or, contractors pre-qualified by the Connecticut Department of Administrative Services. A gift is anything of value that a CAA member or member of his/her immediate family directly and personally receives for which they have not paid fair market value and which is not generally available to the public or through contractual agreements with the CAA or other governmental entities. Included among these items are luncheon and/or dinner payments; golfing fees; costs or fees for social events; travel or airline ticket discounts; bottles of liquor; and, concerts and sporting event tickets. This list should not be considered to be all-inclusive.

There are certain exceptions to the definition of a gift that are recognized by the CAA:

1. Token items such as pencils, ballpoint pens and similar items used as promotional giveaways provided the fair market value of an individual item is not more than ten (10) dollars and that the aggregate value of all things given from a single source in any calendar year does not exceed fifty (50) dollars.
2. Admission to a charitable or civic event, including food and beverage provided at the event, but excluding lodging or travel expenses, at which the member participates in his/her official capacity, if the amenities are provided by the primary sponsoring agency.

3. Goods and services that are provided to the CAA for use on CAA property or that support an event, and which facilitate CAA action or functions.
4. A certificate, plaque or other ceremonial award provided the cost does not exceed one hundred (100) dollars.
5. A rebate, discount or promotional item available to the general public.
6. A gift received from (a) an individual's spouse, fiancé or fiancée; (b) the parent, brother or sister of such spouse or such individual; (c) the child of such individual or the spouse of such child.
7. A political contribution otherwise reported by law or a donation or payment as described by subdivision (9) or (10) of subsection (b) of section 90-601a.
8. Anything of value provided by an employer of (a) a public official, (b) state employee, or (c) a spouse of a public official or state employee, to such official, employee or spouse, provided such benefits are customarily provided to others in similar circumstances.
9. Training that is provided by a vendor for a product purchased by the CAA or another state agency on behalf of the CAA which is offered to all customers of such vendor.

Different rules apply to gifts that are offered or solicited from persons or organizations outside the CAA than to gifts offered or accepted among members of the CAA. With respect to gifts between/among CAA members, no CAA member or member of his/her immediate family may give to or receive from a subordinate a gift costing one hundred (100) dollars or more. Similarly, a subordinate may not give or receive such a gift from his/her supervisor. This prohibition extends to all persons in one's chain of command, not just an immediate supervisor or subordinate. There is an exception for a "major life event" as defined in the Code. These events include the birth or adoption of a child; a wedding; a funeral; a ceremony commemorating induction into religious adulthood; and, one's retirement from state or CAA service. In these cases, the value of the gift may not exceed one thousand (1,000) dollars. It is not permissible for employees to pool their funds to purchase a gift costing more than one hundred (100) dollars or more for a supervisor or subordinate, or over one thousand (1,000) dollars if the gift is for a major life event.

A CAA member may receive from a sponsor or vendor organization payment or reimbursement for necessary expenses only if he/she, in his/her official capacity, actively participates in an event (i.e. giving a speech or presentation, running a workshop, etc.).

Necessary expenses are limited to:

1. Travel (coach or economy class)
2. Lodging (standard cost of room for the nights before, of, and immediately following the event)
3. Meals
4. Related conference/event expenses

Entertainment costs (i.e. tickets to sporting events, golf outings, night clubs, etc.) are not necessary expenses. Necessary expense payments also do not include payment of expenses for family members or other guests. A CAA member may not receive a fee or honorarium for a speech or presentation given in his/her official capacity.

Within thirty (30) days of receiving payment or reimbursement from sponsoring/vendor organization for necessary expenses for lodging or out-of-state travel, as a member of the CAA you must file an ETH-NE form with the OSE. This form is available on the OSE's website: <http://www.ct.gov/ethics/cwp/view.asp?a=3508&q=414910>. This form is not required if your necessary expenses were paid by the federal government or by another state government.

CAA members may also be provided with vendor sponsored training for a product purchased by the CAA or another state agency on its behalf provided such training is offered to all customers of that vendor. A CAA member may be permitted to visit the site of a vendor at the vendor's expense, whether in Connecticut or out of state, for educational purposes or specific technical training. However, its purpose must be reflected as a term of the vendor contract. Members in these situations must still receive prior written travel authorization from the Executive Director. This action is necessary even though there is no cost to the CAA. All other official visits to vendor facilities by CAA members must be at the CAA's expense.

II. Outside Employment, Business Interests, Conflicts of Interest and Confidentiality

No CAA member shall allow personal business or obligations to take precedence over his/her responsibilities to the CAA. This prohibition is not intended to preclude an employee from responding to emergency situations. However, such situations should be the exception, rather than the norm. Supervisors and managers are expected to exercise reasonable discretion in enforcing these provisions. Unless otherwise specified, a CAA member is not prohibited from engaging in outside employment so long as there is no actual or apparent conflict of interest.

CAA members must, however, avoid any outside employment or other activity that interferes with their normal work time, or that affects the satisfactory performance of

their CAA duties. Any outside employment or other activity that might discredit or reflect unfavorably on the member or the CAA must be avoided. Members are prohibited from performing work for any business that is in a contractual relationship with the CAA. CAA members must not engage in any outside employment, business or other activity that gives rise to a real or apparent conflict of interest (an apparent conflict of interest arises whenever actions of a member create the appearance to an objective and informed person, knowing all the relevant facts, that the member is violating a provision of law or this policy).

CAA members are prohibited from obtaining outside employment that will impair their independence of judgment or require or induce disclosure of confidential information gained in the employment or appointment with the CAA. The question of what constitutes impairment will be determined by the OSE. A CAA supervisor, manager or director may not employ a CAA employee-subordinate in his/her outside business. So too, it is impermissible for a CAA employee-subordinate to employ a CAA supervisor, manager or director in the subordinate's business. Both situations would impair independence of judgment. This prohibition extends to all supervisors, managers, directors and subordinates up and down the chain of command.

No CAA member shall seek or accept employment with, or compensation from any consultant, contractor, lessee or any other organization or individual under contract or agreement with the CAA, nor can any CAA member or member of his/her immediate family, or business with which he/she is associated, enter into a personal services contract or other contract with the CAA or the State of Connecticut, other than a contract of employment as a CAA employee or with another state agency, valued at \$100 or more unless the contract has been awarded through an open and public process.

A CAA member is prohibited from using his/her position with the CAA for financial gain for such member, his/her spouse, child, child's spouse parent, brother, sister or business with which he/she is associated. Additionally, no CAA member shall have, directly or indirectly, a financial interest in any business, firm or enterprise doing business with the CAA that could cause a conflict of interest or influence the performance of the member's duties and responsibilities. The financial interest referred to in this provision is not intended to apply to individuals who own less than five (5) percent of the stock of a publicly owned corporation. The provisions of the Code must be strictly adhered to in this area.

CAA members are prohibited from disclosing information deemed to be confidential (i.e. proprietary information; negotiating materials or strategies; personal or medical information, etc.) to any individual, organization or business entity except as may be required as part of their position or as determined to subject to release by the Freedom of Information Commission or a court of competent jurisdiction.

III. Prohibited Activities Upon Leaving State or CAA Service (Revolving Door)

The Code prohibits state employees and public officials, which all CAA members are considered to be, from performing certain activities upon leaving their position. Some of these prohibitions are limited to specific periods of time. Other prohibitions remain for the individual's lifetime. These situations are very case specific and members should contact the OSE for guidance. Former members are prohibited from:

1. Disclosing or using confidential information, gained in the course of his/her term as a CAA member, for the financial benefit of any person (lifetime prohibition).
2. Representing anyone (other than the State or the CAA) concerning any particular matter (a) in which he/she participated personally and substantially while a member of the CAA and (b) in which the State or the CAA has a substantial interest (lifetime prohibition).
3. For one (1) year after leaving as a member of the CAA, representing anyone (other than the State or the CAA) for compensation before the CAA, concerning any matter in which the CAA or the State has a substantial interest. For purposes of this prohibition, the former member would not be able to have any type of business-related contact on behalf of his/her new employer with members of the CAA, including telephone calls and e-mails. The former member may also not sign any forms or other documents that would be filed with the CAA.
4. Accepting employment with a party (other than the State or the CAA) to a contract in which he/she participated substantially, or supervised the negotiation or award of a contract let by the CAA valued at fifty thousand (50,000) dollars or more. This prohibition exists for one (1) year after separation as a CAA member if the separation occurs within one (1) year after the contract was signed.

IV. Political Activities

An employee seeking or holding office as permitted by Section 5-266a of the Connecticut General Statutes must notify the CAA Human Resources Office of this fact in writing.

No CAA member may engage in partisan political activities while on CAA duty. Additionally, no CAA member may use CAA materials, facilities or equipment for the purpose of participating in or influencing a political campaign and/or election for any public office.

Under some circumstances, members may be covered by the provisions of the Federal Hatch Act. In general, this law covers members whose principal employment is in connection with an activity that is financed in whole or in part by loans or grants made by the United States or a federal agency. There are certain prohibitions that apply to political activity by covered members. The provisions of the Hatch Act continue to apply

while the member is on vacation leave, sick leave, leave without pay and personal leave. CAA members should contact the CAA Human Resources Office if they think they may be subject to prohibitions under the Hatch Act.

V. Other Provisions

A. Actions Involving Relatives, Friends and Acquaintances

No CAA member shall use his/her position or influence to gain employment for a relative, person having a special relationship, business partner, associate, client, etc. Relatives or others having special relationships with current members are not prohibited from seeking employment with the CAA. However, no influence can be exerted to give the relative or person having a special relationship an advantage over others in the competitive selection process. Any such relationship must be disclosed during the competitive selection process and prior to any offer of employment being made. Relatives or others having special relationships with current members may be considered for employment provided that the relative or person having a special relationship with a current member would not be placed either in or under the direct supervision of the member or in any position where either the member, the relative or the person having a special relationship with a current member would be in a position to influence the salary, benefits, working conditions or other personnel transactions such as performance reviews or disciplinary transactions affecting the other. This provision shall not be interpreted to require the automatic transfer, reassignment, or other personnel change, when such relationship exists upon implementation of the policy. The CAA reserves the right to take appropriate corrective action to remedy problems that may be created by such relationships.

Members should be aware that signing certain documents may result in a violation of the Code if such actions would result in a financial benefit to a relative. Examples would be personnel forms, including performance appraisals, vouchers, reimbursement forms, contracts and similar types of forms. Caution is urged as a violation may occur even though unintentional.

B. Use of CAA Equipment

The use of CAA equipment, including tools, telephones, computers (including e-mail), fax machines and vehicles for personal, non-work related purposes is prohibited. (Please refer to the CAA policy regarding the acceptable use of computers and related equipment).

C. Personal Advertising, Solicitation and Sales

A CAA member shall not solicit or canvass within the CAA for the sale of any goods, services or personal business without the prior expressed written approval of the Executive Director or his/her designee. Such soliciting or canvassing, even with

permission, shall not involve soliciting from subordinates, nor shall it be done on CAA work time.

This prohibition does not extend to charitable fund raising activities approved by the Executive Director such as the Connecticut State Employees Campaign for Charitable Giving or events sponsored by CAA to recognize members and/or promote member morale.

A CAA member is not allowed to post or distribute advertising material for such purposes without the prior expressed written permission of the Executive Director or his/her designee. No CAA member is allowed to use his/her CAA business address, telephone number, title or status in any way to promote, advertise or solicit personal business.
